### ***Reviews***

*Basically no phrases to clarify. It really is written in straightforward phrases rather than hard to understand. You will not sense monotony at any moment of your own time (that's what catalogues are for concerning if you ask me).*

Signet Book, United States, 2013. Paperback. Book Condition: New. 173 x 102 mm. Language: English . Brand New Book. Kath Rutledge s grandmother left her a charming fiber and fabric shop, a close-knit group of needlework lovers, and a television-addicted ghost in the attic. She may also have inherited the special skills required to untangle a murder. Always up for trying something new, Kath and her friends from the fiber and needlework group TGIF--Thank Goodness it s Fiber--are visiting Cloud Hollow Farm for the day to learn the fine art of dyeing. With spring in the air, the friends head out to greet the sheep. But the sheep are more interested in something else--two bodies spread under a tall tree. And one of those bodies is someone they know. Kath s friends nudge her to investigate, and no one is more adamant than Geneva, the ghost who loves to play assistant sleuth. But when Kath discovers another murder cut from the same cloth, she s more determined than ever to hang a roving killer out to dry.
