Brand New Book ***** Print on Demand *****.Overview The Earth s Survivors America The Dead Series follows a growing group of people as the struggle for survival in a post Apocalypse world. The Dead walk the streets in the night, gather together in abandoned buildings biding their time to take the Earth that is now rightfully theirs. The living are killing each other, doing the dead s job for them. And the world keeps getting tougher. Follow as this tight group of survivors make their way across the former United States searching for someplace to call home. The Dog sniffed along the edge of the tree line. He had wandered away from the camp attracted by the smell of the cows. It was the most wonderful scent he had ever smelled. He had already found two pilings of dropping and rolled in them. It was good. Like heaven, he thought. But the scent he was following now was even more intoxicating. It was the smell of something dead, but he didn t see it that way. He classified scents in an entirely...
