Createspace, United States, 2012. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Andy Foster never expected lightning to strike when she met the enigmatic frontman of an up-and-coming rock band, but Giovanni Carnevale left her thunderstruck. At first it is easy to use her freelance writing career as an excuse to indulge the steamy flirtation from city to city. As she gets ever closer to making her lascivious fantasies a reality, however, she finds herself trapped in the fake and sometimes dangerous world of celebrity where nothing is as it seems, including the celebrities themselves. She hangs on to find something real amidst the illusion, while Giovanni balances what he wants against what he fears most. Over three years they come together and blow apart with the same kind of combustible passion. This keeps them orbiting in the others stratosphere despite new relationships and bitter betrayals. They are bound together by something they can t fight, something that draws the ire of another fan determined to claim Vanni all to herself. Unknowingly they all race toward a dramatic moment of truth that will leave two people injured, and one dead, with a twist of an ending you may never see coming. Author of Love Plus One and My Immortal, Ginger Voight once again brings Rubenesque romance to life through a curvy heroine and the sexy rock god who wants her. It is the ultimate fantasy for anyone who has ever indulged a celebrity crush, and wondered what if you ever got that one chance to be with your idol. More than a romance, Groupie is a sizzling contemporary read that throws back the curtain on the lives of celebrities and the fans who love them. Adult content intended for readers...
