Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The purpose of this book is to bring the male and female back together. For years we have been drifting further and further apart, at great cost to society. Men and women have lost respect for one another and struggle to communicate. Marriage and family life, the bedrock of society, are disintegrating. Children are not getting proper emotional support and love. Today s world is complicated and stressful, and there is strife between the sexes as a result. Unless we can successfully adapt to one another despite sociological changes, our species as we know it is in danger of becoming extinct. My hope is that men and women awaken to what we are losing and what needs to be done. For the mutual benefit of both sexes, we should fight to keep what worked in the past while adapting to the changes that have occurred. I have written this book for all age groups. Please try to read it with an open mind and with all your buttons turned off. You may turn your buttons back on, if you desire, after the read. This book is directly addressing a minority of the females (5 ) in the US, the ultra left liberal feminist, and most males who sadly assume that all of the problems we are having in the male and female relationship today are just going to go away. A growing number of US females (15 ) are conservative feminists who have many of the same goals that the American male wants right now. The majority of the females (80 ) in the US, do not consider themselves feminists but have been well indoctrinated...
