Brand New Book ***** Print on Demand *****.As we grow up and learn, we come up with big words. Words are able to describe a phenomenon or pass certain information. In this book we want to look at- what is Emotional Intelligence? Like any other phrase, it is made of words, for these case two words. Each word has a definite meaning. First and foremost let s see the meaning of the individual words. Emotion is a feeling that everyone experiences. It involves cognitions and physiological responses. Emotions convey vital information about how people relate to each other. Happiness is an emotion we all know.that signifies all is well and one is enjoying the times and moment. However, the truth is that, at some time, one might not be that free with others and as a result develops fear! For the other word which is intelligence, it is mostly used in the academic field. The students who score high marks are thought to be intelligent. Yes, this can be defined as the capacity to have valid reasoning about any information....
