LETTERS TO FRIENDS

Createspace, United States, 2013. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.Through letters to her friends, Mia tells the story of her family's triumphs and heartbreak, her adjustment to life in a new country and her quest to find true love. She travels to Africa, Europe, India, China and the United States. Mia invites us into her life and speaks to us in a straightforward and humorous style about a wide range of topics, from religion to politics to her sex life or frequent lack thereof. Her views on South Africa, Israel, China are often controversial but always sincere. Her views on dating and relationships are formed from life with three sisters and a strong mother. There is also a little bit of adjusting to life as an expat and immigrant, a lot of balancing ancient cultural traditions with the demands of modern society, a few tablespoons of running away from love, and a pinch of finding it. There is adventure, romance, mystery (her mother did it), drama, lunch with porn stars, a helicopter crash, and full frontal nudity. Though not all on the same day. There is also enough room left over for some sex, drugs and rock and roll. Mostly on the same day.
