CCB Publishing. Paperback. Book Condition: New. Paperback. 204 pages. Dimensions: 8.8in. x 6.0in. x 0.6in. For Singles Only- Are you considering marriage Do you want to choose the right mate Do you want a marriage that will last Read this book first. For Husbands Only- Does your wife seem to be cold and unresponsive to you Do you wish there was some way you could bring life back into your marriage Is your wife too critical Do you wish she was more supportive For Wives Only- Does it seem that the only thing your husband thinks about is sex Or, do you wish you could get your husband interested in sex Do you get sick and tired of him watching TV and never talking to you Are you about fed up with marriage Wait! Dont give up yet! There is help between the covers of this book. Marriage was not intended for detachment or to be boring and unfulfilling. When God made us, He was well aware of how we were constructed. Ample provision was made for meeting all our needs, which included our sexual needs. This was to be done within the confines of a loving, committed, relationship--marriage. The contents of this book span from contemplating marriage, to menopause and mid-life crisis, pausing as it tunnels through such issues as choosing the right mate, preserving the honeymoon, spousal abuse, conflict resolution and divorce-proofing your marriage. There are special sections, which speak to and speak for husbands and wives, on most concerns one might face and would like an effective, tactful way to communicate them. When both partners share the information in this book and take it to heart, both can experience a joyful renewal in the relationship or build one that will last. Enjoy! About the Author: Since 2005, Viola...
