Once There Was a Tadpole

By Judith Anderson

Barron's Educational Series, United States, 2010. Paperback. Book Condition: New. Mike Gordon (illustrator). 208 x 185 mm. Language: English . Brand New Book. Nature's Miracles titles encourage children to explore the natural world for themselves by observing nature's activities. The books also encourage kids to take part in activities of their own that promote a sense of responsibility toward the Earth's plants, animals, and natural resources. Each book presents a cheerfully illustrated story about children who explore nature's wonders. Notes for parents and teachers that follow each story suggest activities, further reading, and Web sites related to the book's theme. Color illustrations on every page. In this book, children explore a garden pond in springtime, and discover a deposit of frog's eggs. They take home a small amount of the eggs and place them in a fish tank with water plants. As time passes, they watch the eggs develop into tadpoles. Before long, the tadpoles become frogs, which the children then return to the pond.

Reviews

Simply no words to explain. It really is basic but shocks from the fifty percent of the ebook. I am just happy to explain how this is the finest pdf we have read within my personal life and could be the best ebook for possibly.

-- **Blair Monahan**

Complete information for pdf fans. it had been written quite perfectly and helpful. You can expect to like how the article writer compose this ebook.
