Brand New Book ***** Print on Demand *****.As the world continues to evolve in unpredictable directions, but the Portuguese economy remains predictably in permanent decline, as it has been for centuries since the fall from world first place, there is a search for explanations, solutions and answers that seem apparently nonexistent. An analysis of the past reveals numerous causes for the fall of a nation, but this study shows equally or more relevant as the observation of new emerging nations. Against this backdrop, China now presents itself as an example of good economy and society to the Portuguese, even though also in this attitude they are behind many others, which have already passed this stage and start looking for a new possibility in the future post China. The Portuguese investments in the east have been increasing in the same way as before the trade settled in the Lusophone countries like Brazil, Angola and Mozambique. But is this Chinese reality so promising? Many studies conducted in China have overlooked extremely important details that dictate the real scenario of this country. It is based on this hidden truth that this book seeks to portray what really is going on in this new world number one. Although comparing two distinct situations, of two countries also very different in dimensions, there is here further study, such as what two large empires may enable understanding. From the fall of the world longest empire, as is the case of Portugal, to the emergence of a new empire risen from the ashes and poverty, as it s China s situation, much there is to compare in order to achieve better predictions about markets and economies in the world scnerario. Thus, this book...
