SHORTER PROSE PIECES

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.PHRASES AND PHILOSOPHIES FOR THE USE OF THE YOUNG The first duty in life is to be as artificial as possible. What the second duty is no one has as yet discovered. Wickedness is a myth invented by good people to account for the curious attractiveness of others. If the poor only had profiles there would be no difficulty in solving the problem of poverty. Those who see any difference between soul and body have neither. A really well-made buttonhole is the only link between Art and Nature. Religions die when they are proved to be true. Science is the record of dead religions. The well-bred contradict other people. The wise contradict themselves. Nothing that actually occurs is of the smallest importance. Dulness is the coming of age of seriousness.
