The importance and mineral wealth of that portion of our state included in the Upper Peninsula, has for the past year occupied a large share of public attention, and sufficient examinations have been made to justify the belief that in copper and silver it is the richest and most extensive mineral region in the United States, if not excelling any known to the civilized world. The working of these mines thus far, has been by individual enterprize, under the authority of leases granted by the War Department of the general government. As these lands are situated within the acknowledged limits of Michigan, and as all questions relating to them may directly or remotely effect her interests, jurisdiction and sovereignty, the committee think the whole subject should now be presented for the consideration of our own state government. The power of the federal government to...
