

Christian Environmental Studies: Toward a Graduate Program-Revised and Expanded-Second Edition

By Daniel Aaron Salomon

Createspace, United States, 2012. Paperback. Book Condition: New. Revised, Expanded. 274 x 213 mm. Language: English . Brand New Book ***** Print on Demand *****.Daniel Salomon unveils a makeover of his earlier concept--- a proposed Master of Arts Program in Christian Environmental Studies which is full, in-residency, accredited, non-secular, Christocentric, and life-affirming. With refined syllabuses and readings, a more user-friendly format and a proposal for a faith-based school of the environment, Salomon incorporates new insights, new resources, new breakthroughs in the field and over five years of hard-won professional experience. Showing why existing programs are insufficient and getting beyond just trying to convert Christians to environmentalism, Christian Environmental Studies helps people, once they are on board with the Christian environmental bandwagon, steady the course. Christian Environmental Studies is for anyone who wants to deepen and live-out their ecological commitments and is especially targeted towards Christian academics and administrators at seminaries, theological schools, divinity schools, and Christian colleges and universities, who want to address the environment, but are not quite sure how to do it. At heart, Christian Environmental Studies is a book about Christian environmental leadership. In an issue no more urgent, Salomon continues to talk to the Christian faith...
