Not so much as smarter, faster to figure things out. First to get the joke. First to provide a solution for the boss. Have you ever wanted to remember a joke when there is a pause in the conversation? And then to tell the joke perfectly? Have you ever wanted your brain to be faster? If your parent s genes didn t provide you with an Einstein like brain, there still is hope. You can teach your brain to be smarter, faster, quicker than 99 of the world s population. Mensa will beg you to join. This book will teach you how to improve your brain by using a computer game invented by Microsoft. Minesweeper will revolutionize your life. This book will show you the way. Unless you like being dim, slow and boring. Warning! This is not a book of cheats. It is a book on the philosophy and logical progression of the game which is a much better cure for Alzheimer s than crosswords will ever be. If you want cheats, there are plenty on the internet. Make very sure your virus protection is up to it before you go there.
