Brand New Book ***** Print on Demand *****.Excerpt from The Early Kings of Norway: Also an Essay on the Portraits of John Knox The Icelanders, in their long winter, had a great habit of writing, and were, and still are, excellent in penmanship, says Dahlmann. It is to this fact that any little history there is of the Norse Kings and their old tragedies, crimes, and heroisms, is almost all due. The Icelanders, it seems, not only made beautiful letters on their paper or parchment, but were laudably observant and desirous of accuracy; and have left us such a collection of narrative (Sagas, literally Says) as, for quantity and quality, is unexampled among rude nations.
