Createspace, United States, 2012. Paperback. Book Condition: New. 226 x 148 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.If you would like to profit from trading the Forex markets but do not want to use large amounts of money to start - then this is the method for you. For as little as 200/USD to start trading you can make a regular income stream - a very welcome bonus in these hard economic times. This system is based on using visual signals that you can easily see on the charts supplied by the spread betting companies. It requires no deep financial knowledge, complex spreadsheets or formulae and doesn't even depend on whether the markets are going up or down - just watch for the signals and start trading. It really is that simple. All you need is your eyes and a computer - that's it! I expect you are maybe slightly sceptical at this stage and I don't blame you. I imagine that perhaps you may have tried other Forex schemes in the past and been disappointed with the results - well join the club! So have I. I have wasted thousands of pounds in the past, trying out various methods that claim to make you regular large sums of money without success. Don't get me wrong, I don't think that many of these were deliberately misleading but often they don't work for many people for one reason or another. However, I knew that there were people that do make regular income streams from trading the Forex and I was determined to find a way that worked for me- not just occasionally but consistently and without the involvement of complicated spreadsheets or formulae. Profits from financial spread betting are free...
